## Books:

Each family is responsible to source their own books for each class. Some are available locally some need to be imported from America.

Tapestry of Grace Curriculum costs \$189 (for the digital version) per year for the first four years. You then add the recommended books from Bookshelf Central for your children depending on what learning level they are in and what you already have in your library. Add in your own Science, Math, Foreign Language or Grammar and Electives.

The Omnibus Student Textbook which contains essays about each piece of literature and the student's assignments costs about \$80. Then you buy about 30 books which can mostly be obtained free digitally because they are classics. This will count for history, theology, & literature. You will then add in your Science, Math, Foreign Language & electives.

## University Preparation Costs

High School Students must register with **Home Life Academy** to receive a High School Diploma. See the fees for International Students on their website. There is a discount if you register on Black Friday Weekend. They must also take the **SAT** (a three hour multiple choice exam that covers mathematics, reading and logic skills. See the College Board website for registration fees, times and locations (<https://collegereadiness.collegeboard.org/sat>) (\$93 for 2019). You can use Khan Academy for free SAT preparation. After completion of grade 11 and taking the SAT exam

you can apply to an American University (runs about \$80 but can be free if you do it before the early application deadline of November 1 (<https://www.masters.edu/admissions/undergrad/>)). You then submit your HomeLife Academy Diploma and American University acceptance letter to the **South African Universities Board** in Pretoria to apply for a foreign conditional exemption based on your American qualification (<https://mb.usaf.ac.za/united-states-of-america/>). See website for application fees (<https://mb.usaf.ac.za/>) (R530 for 2019). This conditional exemption will then become complete when you are accepted by the South African University. If you have a South African I.D. book, you will pay local university fees not international fees.
